

Euphoria

DANCE COMPETITION

SIDNEY 2025

With a very specific vision in mind, we at Euphoria Dance Competition set out to create an event that would not only inspire and congratulate dancers, but an event that would bring together a dance community that is thriving and growing daily.

To many, dance is used to express and tell a story, and by giving dancers the means to perform and share with us, we are striving towards a powerful environment that will push everyone to their greatest potential and reborn a love that many have for dance.

By introducing a competition that focuses on technique, as well as stage presence, we encourage all performers to reach for their own personal dance goals. Being a part of the community ourselves, we have first hand knowledge of the blood, sweat and tears that go into a routine that is stage ready, and we want to acknowledge and award that work.

Kim Klassen

A sought after teacher and choreographer, Kim Klassen brings style, passion, and technical artistry to students throughout the province. Having trained professionally both in North America and Europe, Kim has studied a variety of disciplines including tap, jazz, lyrical, musical theatre, and contemporary. Kim's formal education also extends beyond the dance studio, and in addition to an undergraduate degree in Psychology and Kinesiology, Kim is currently attending Simon Fraser University where she is completing her second degree in Elementary Education. While currently on faculty at studios in the lower mainland, Kim is recognized for her challenging and inspiring classes, and has seen many of her own graduate students go on to university dance programs and professional work in the industry. Kim continues to teach workshops and master classes throughout the season and aims to share her extensive knowledge with each student she meets.
